The Wide World Of Eastwood Sports

ONE ON ONE

The National FFA Convention, held in Kansas City Nov. 7 to 11, was attended by Mr. Hansen, his wife and 5 members of the FFA. The members attending were John Briggs, Calvin Kohring, Tracy Bassett, Matt Hoffman, and Jim Knauss. The group left Sunday November 6 at 9:00 in the morning in a 28 ft. Winnebago Motor Home. While in Kansas City, the group attended many sessions one of which had Woody Hayes as the speaker. Former graduates Mark Bushman and Dan Gerwin received their American Farmer degrees. One morning all American Farmer Participants from Ohio attended a 6:30 breakfast. On the way to the convention the group stopped and toured Purdue University. While on the way back the group saw the Gateway Arch in St. Louis, Missouri.

This year for the first time in Eastwood's history the Eastwood Varsity Football Team completed a season with no ties, no defeats. The team of 27 seniors compiled a season record of 10-0. Twenty members of the squad made all S.L.L. Nine members were named in the all district. The UPI poll, Hank Taylor and Dan Hayward received Honorable Mention and Curt Custer made the second team. In the AP poll Brad Rolf received Special Mention, with Dan Hayward making third team and Curt Custer being named to the first team. Coach Koester was named ALL DISTRICT, COACH OF THE YEAR.

No matter what one wears to school it seems to be in fashion. There are no outstanding styles or fads. The cowneck tops are popular with sweaters making a big comeback. Stick pins worn on the lapel for dress also helps keep cownecks in place. Fashion boots are the most popular in footwear. They are worn with any length of skirts and gauchos. The hair styles are long and short, straight and curly. Hair combs are used to give the special touch. The three piece suit is also in to be worn with silky blouses that tie in front. Ski vests are a big thing this year with both boys and girls. But of course, the most familiar in mens clothing is jeans and flannel shirts. Dress pants are beltless and have many coordinating sweaters and shirts.

Beside the three sports that the Eastwood girls have, this year they had football. The game came about because of a challenge from Olsego. The team consisted of junior and senior girls. They were coached by Varsity Football players Duane Siefert, John Schmeltz, and Todd Aldrich. The game was played on a Sunday afternoon at the Eastwood Field. Eastwood won the game 12 to 8. The first score was made by a Cathy Custer run. The second score came late in the game. The touchdown was made by a hand off from Cathy Custer to Cheryl Speck, who ran it in for the touchdown.

The Gilbert brothers, Kevin and Kerry, have a hobby which is quite unique. During the summer months the Gilbert brothers race quarter and half midget cars. Their home track is in Toledo at the Recreation Center but they have traveled to Colorado, California, Florida, Indiana, Washington, and numerous cities in Ohio. Kevin and Kerry started their racing career in 1966 and have been traveling and racing ever since. In 1970 Kevin at one time, was Eastern States Champ. Quarter midgets, which have, small 4 cycle engines with about 12 horsepower, are raced by youth 5-16 years in age. Half midgets, however have 2 cycle 20-25 horsepower engines and are raced by 12-18 year olds. The Gilberts like racing because they like cars and the traveling allows the whole family to see the country and be together.

Transportation is an important part of a teenagers life. The teens dream car has chrome wheels, AM-FM 8-Track Stereo, and high performance everything. Although we know the old clunker will get us where we want to go, the teen still dreams on. Besides cars, the custom vans are on the uprise. The vans have pictures painted on the side, shag carpeting inside, and captain chairs. Closely related to vans are the faithful pickup truck. A truck comes in handy for hauling things to and from school. The motorcycle is popular in the summer for cruising on country roads, but for winter snowmobiles are tuned up after the first snow.

Farmers are finally trying to do something about farm prices. Some time ago farmers in Georgia rode their tractors into Plains Georgia, President Carter's home town. On the 14th of December farmers had a nation-wide strike in which they held back their products and rode their tractors into Washington D.C.

"Oh, God!"

What student at Eastwood has his own horse, wears cowboy hat and boots and talks about rodeos? Chuck Kerr is the one. Chuck's hobby is traveling to different rodeos around the U.S. Rodeo riding takes a lot of practice and strong bones that can take being thrown from a horse and getting up and walking away. Chuck says he rides because he likes riding and for the money he wins. To stay in shape for riding Chuck likes to ski. The students at Eastwood will never forget the cowboy who walked the halls of the school.

Halloween seems to be the time for many things including Halloween masks. A mysterious green, glow-in-the-dark mask lurked the halls and classrooms of Eastwood High on Halloween day of Homecoming Pep Week. Many teachers had a big surprise that day when they came into their classrooms and found the mask looking at them from one of the desks. Screams and yells rang throughout the halls as many were frightened by this green spectacle.

The Eastwood Volleyball team took The S.L.L. title for the second straight year. The final record for the season was 16 and 2. Carol Bruning and Becky Schulte were named to the first team All S.L.L. with Cathy Smithey making second team and Kelly Cochrane getting Honorable Mention.

ROCKY

Eddie the Eagle has returned. At the first home basketball game, Eddie the Eagle led the basketball team out onto the floor. Who plays the role of Eddie is a mystery to the fans. She appears at the games and then disappears afterwards. The identity of Eddie The Eagle 1977-1978 will remain a mystery.

THE BAD NEWS

Two of the music world's greats died this year. Elvis Presley, one of the first performers to make it big in rock and roll, died on Aug. 16. Elvis made such big hits as "Jailhouse Rock" and "Love Me Tender" big hits of yesteryear. Two months later while playing golf in Spain, Bing Crosby died of a heart attack. Bing's biggest and lasting hit is "White Christmas" which will be remembered by all the world. Bing Crosby will always be remembered for his comedy and mostly by his songs.

The Eastwood Marching Band is moving up. This year the band had 167 members including a twelve tuba section. The band also increased the directors from one director to a director and an assistant director. The band participated in the B.G.S.U. Band Day. For the second year the band traveled to Indiana to perform at the halftime of the Manchester College Homecoming. The band is planning their trip to Washington D.C. to participate in the Cherry Blossom Festival. This will complete a fine marching season.

With the National Government holding their own, the State governor elections take the headlines. The Lt. Governor Mr. Celeste has declared his candidacy along with a local man Mr. Charles Kurfess. Mr. Kurfess has been a member of the Ohio House for twenty-two years and is from the Eastwood area. Mr. Kurfess has been campaigning throughout Ohio for many months. During August Mr. Kurfess was at many county fairs. Good Luck Mr. Kurfess in the upcoming elections.

"The undefeated (10-0) 1977 Eastwood Eagle Football Team can best be summed up by saying there was a tremendous blend of outstanding talent along with pride, dedication, and intensity. The overall balance and depth, both offensively and defensively, of this year's squad were the main reasons for its tremendous success. The 52 young men on the team demonstrated a remarkable ability to withstand the pressures of winning while, at the same time, showed the humility of a true champion. Each and everyone of these fine young men, by being a part of this team, have matured and grown into individuals that the school, community, and their parents can be very, very proud. The way in which they handled themselves is truly a credit to the character and self-discipline which they demonstrated throughout the entire season. Being a champion in more ways than one will help the 1977 squad leave its mark which will long be remembered in Eastwood athletics." Mr. Koester, Head Coach.

On January 26, 1978, The worst blizzard of the century swept over Ohio and surrounding states. The blizzard hit at 5:00 Thursday morning, with high winds and snow. At 5:10 the electrical power for many residences went out. Wood County was said to be the hardest hit. All roads, major and rural, were closed. All factories, companies, and schools were closed.

When the blizzard conditions were over, the effects of the storm were felt. Many residents were snowed in their houses, with drifts as high as 10 ft. covering their yards and the fronts of their houses.

The electric power of many in the Eastwood School district was interrupted for up to 90 hours. Many people were forced to leave their homes and gather in the homes of neighbors or relatives who were fortunate enough to have fireplaces or gas stoves. Some were evacuated by snowmobiles, which proved to be the only form of transportation which could move for days after the storm hit.

Because the clean-up proved to be far too much for the townships, county, and even the state snow removal crews to handle, the National Guard and U.S. Army troops from Ft. Bragg, N.C. were called in to help. Six days later, most of the roads in the area were cleared of enough snow for traffic to finally start to move again.

All Ohio residents will long remember the blizzard of 1978.

"Irene" a musical set in 1919 was presented in the high school auditorium on April 28, 29, and 30. The fact that it was not well known to the area did not stop people from attending the production. The love-story-comedy has Irene O'Dare falling in love with Donald S. Marshall, a man who is more interested in financial dealings than her. In one dealing Irene is made business manager for Madame Lucy, a dress designer who is trying to make it big in the industry. As the musical ends Mrs. O'Dare, Irene's mother, finds that Madame Lucy is her long lost lover and they get back together. Donald S. Marshall realizes he is in love with Irene and they get married only to live happily ever after.

The Junior Class honored the Class of 1978 on May 20. "Come Sail Away" was the theme for the annual Junior-Senior Prom which returned home this year being held at the Junior High. The cafeteria was decorated with fish nets and sea food. The EHS 1978 Love Boat was docked in the corner and a fountain in the center of the room was decorated with flowers and greenery. Everyone entered the fantasy world by walking across a wooden dock. The evening began with a buffet dinner which was prepared by Junior class mothers. After dinner the prophecy and will were read. Sea Breeze provided the music for the formal dance which was held after the dinner. The rest of the evening was filled with tennis and ice skating at the B.G.S.U. Ice Arena. Breakfast at the Ice Arena finished the evening of fun.

Girls Track Take S.L.L. 4th Year In A Row

"This year's track team was indeed a phenomenal group of athletes. I would say natural talent drawn out by hard work and depth were two factors of the team's success. They have learned the meaning of sportsmanship, teamwork and most definitely enthusiasm. A league championship, twelve district qualifiers and two state placers is something they should be proud of, I know I am. Having six, four year varsity letter winners will definitely leave a hole in our program, the debt we owe these people is priceless. But then a season with an extra challenge will show all the determination and willingness, the underclassmen truly have, to work back to the top. Coaching a team of this talent has indeed been an honor and challenge." Coach Gerken.

"This year's squad did not achieve their goals of the State or S.L.L. Championships; however the players have every right to be proud of the 18 win 5 loss record. A mid-season batting slump, due in part to the weather, and the loss in the district finals had much to do with the five losses.

Outstanding pitching and defense together with the team's .307 batting average led to their 18 victories, Sectional Championship, District Runner-up, and 2nd place in the S.L.L. The seniors on this squad have had much to do with the school's 38 baseball victories over the last two years." Coach Bierly

Five out of six Eastwood students who won the local American Legion Americanism contest were declared winners in district competition. The test and essays of senior Val Friesner, juniors Roxana Williams and John Henry, and sophomores Laurie Poggemeyer and Jeff Rubel were advanced to the state level for judging. The test covered such things as current events, history, the process of local, state, and federal government. In addition to the questions each student had to write a 200-word essay on the topic "What do we owe the U.S. and what does the U.S. owe the rest of the world."

On Wednesday, March 22, 1978 the Eastwood Spanish I and II students along with the Spanish students from Old Fort boarded a plane at Detroit Airport bound for San Antonio, Texas. The purpose of the trip was for the Spanish students to experience first hand the Hispanic culture of the largest Spanish speaking city in the U.S. While in San Antonio the students went shopping at a Mexican Market, visited the Governor's Place and the Alamo.

While the marching band was in Washington D.C., the band visited the Arlington National Cemetery. Located in the cemetery is the Tomb of the Unknown Soldier which is guarded day and night, 365 days a year by special chosen members of the 1st Battalion 3rd Infantry U.S. Army of Fort Myer. The band was given the honor of placing a wreath on the tomb during a wreath laying ceremony. Three seniors, Steve Mellum, Larry Ward, and Kay Ernsthansen were chosen to represent the band in the ceremony.

For the third year in a row, senior Jeff Hardy went to state wrestling tournament. As a sophomore Jeff placed fifth in the state and as a junior he was third in the state. In his third and final time to the state meet Jeff placed second. Jeff's four year varsity record was 105 wins, 12 losses, and 67 pins.

Jeff Rubel placed first in Ohio in the annual American Legion Americanism and Government test. He became the second student in two years to win the award. As winner of the test Jeff received a trip to Washington D.C. along with 49 other state winners. During the five day trip Jeff toured the cities of Washington D.C., Gettysburg, Williamsburg, and Jamestown.

Ken Gerwin, FFA president was selected as a winner of the State Farmer Degree. The award is the third highest honor in FFA. To be considered for this award Ken had to be in FFA for two years, serve as an officer in the chapter, invest \$500 into a farm project, maintain a "C" average in school and conduct a Parliamentary Procedure contest.

"Nights are forever without you," was the theme for the annual Junior High Spring Dance. The Student Council sponsored the semi-formal event which was held May 12, 1978 in the Junior High Cafeteria. Silver stars and pastel colored flowers decorated the room. The Eastwood Stage Band provided the music for the evening.

Five junior boys were selected to attend the 42nd annual Buckeye Boys' State which was held June 17-24. Attending the mock government workshop were Dave Gerwin, John Henry, Matt Hoffman, Steve Sanders, and Jeremy Walston. Bowling Green State University hosted the event for the first time. The American Legion sponsors the mock government which provides training on city, county, and state levels.

On Wednesday evening March 29 the Eastwood Marching Eagle Band boarded four charter buses bound for Washington D.C. After driving all night the band arrived in Washington D.C. They spent Thursday and Friday touring the city seeing such places as the Capitol, White House, Washington Monument, Lincoln Memorial, Jefferson Memorial, Archives, Tomb of the Unknown Soldier, Mount Vernon. Saturday the band marched in the Cherry Blossom Parade. The band started home Sunday morning making a stop at Gettysburg.

The 32nd annual Buckeye Girls' State was held June 17-24 at Capital University. Five junior girls were chosen to represent the two legion posts of the area. Troy-Webster Legion Post 240 chose Linda Lowry and Roxana Williams to represent them. Deb Smith, Sherry Papenfuse, and Kari Asmus were delegates representing Freedom Legion Post 183. Buckeye Girls' State is a mock government which teaches junior girls the functions of city, county, and state government.

Seniors Curt Custer and Hank Taylor were two of fifteen seniors selected for the National Football Foundation and Hall of Fame, incorporation. This was the first time two players from the same school were chosen for this award. There have been only five other Eastwood athletes to receive this award.
